CALL FOR PROPOSALS — CULTURE PROGRAMME (2007-2013)
Implementation of the programme actions: multiannual cooperation projects; cooperation measures; special action (third countries); and support for bodies active at European level in the field of culture

This call covers the following strands of the Culture programme:

1. Support for cultural projects (strand 1)

Cultural organisations are given support for projects to work together across borders and to create and implement cultural and artistic activities.

The thrust of this strand is to help organisations, such as theatres, museums, professional associations, research centres, universities, cultural institutes and public authorities from different countries participating in the Culture programme to cooperate so that different sectors can work together and extend their cultural and artistic reach across borders.

This strand is divided into four categories.

2. Support for organisations active at European level in the field of culture (Strand 2)

Cultural organisations working, or wanting to work, at European level in the field of culture can receive support for their operating costs. This strand targets organisations that promote a sense of shared cultural experience with a truly European dimension.

The grant awarded under this strand is a support to operating costs incurred for the permanent activities of beneficiary organisations. This profoundly differs from any other grants, which may be awarded under the other strands of the programme.

DEADLINE

Strand 1: Support for cultural projects

Strand 1.2.2: Literary translation projects

1 February 2010

Strand 1.3 Cultural cooperation projects with third countries
