Dear friends,

UBC- Youthful cities commission is please to inform you that we are organizing a Youth Conference which will be held parallel to the UBC General Assembly in Gdynia Poland. The conference will held on 25-31.10.2015. As we have applied (and received) for funds through EU Erasmus+ program we are facing some issues with regards to participation – Partners in the project are Kolding, Gävle, Turku, Liepaja, Riga and Gdynia, but we will accept participants from other cities as well. Project title is “Youth for equality, equity and Peace”.

Please, find the info-pack and the registration form for the 2015 UBC YCC Youth Conference as an attachment. The programme will be sent to you in the next days.

Warm greetings from the city of Turku,
