The violent acts of people today make me question the world we live in.

My colleagues and I are deeply shocked after hearing the news about the criminal attack on Sunday and the tragic death of Mr Pawel Adamowicz, Mayor of Gdansk.

On behalf of the Riga City Council and citizens of Riga please accept our deepest condolences. We do take our true compassion and our sympathy goes out to the family, friends, colleagues and all citizens of Gdansk.

Our prayers are with you all and we are together with you in your deep sorrow.

Sincerely yours,

*Nils Ušakovs
Chairman*
