Deputy Mayor Wieslaw Bielawski
City of Gdansk

Esteemed Deputy Mayor,

Please accept my heartfelt and deepest condolences following the tragic death of Mayor Paweł Adamowicz.

In Helsinki, we will always remember and cherish the invaluable legacy of the lifework of Mayor Adamowicz as a champion for liberal democracy, human rights and European integration.

I feel that the best way to honour this legacy is to continue striving for those noble goals.

Jan Vapaavuori
Mayor of Helsinki
