Dear family of Pawel Adamowicz, Community of Gdansk and all the Citizens of Poland,

On behalf of Klaipeda city community, the Municipality of Klaipeda and myself personally, please, accept the most sincere condolences for the tragic death of Pawel Adamowicz, Mayor of Gdansk.

It is difficult to find the words that could comfort the loved ones and the community of the wonderful city of Gdansk in a loss of a great politician, a warm and sensitive person, a father of a family and the city of Gdansk. Responsibility, duty and commitment for the service are the values that were defended and cherished for decades by this prominent politician, who was respected and loved by all. Until the very last moment of his life he worked for the city and his sacrificial service for the city and community of Gdansk will always remain in the memory of us. It will be an eternal monument to a great politician and a great personality.

In this difficult time, our thoughts are with you and with all the people of Gdansk. Please accept our sincere sympathy.

Yours Sincerely,

Vytautas Grubliauskas
Mayor of Klaipėda city
