Launch meeting UBC Smart and Prospering Cities Commission

Dear colleagues!

As acting chairman of the Union of the Baltic Cities Smart and Prospering Cities Commission (SPC) and also in the name of our steering committee Lukas Wedemeyer (Kristiansand), Jesper Vestergård Hansen (Kolding) and Waldemar Sypiański (Ustka) I cordially invite you to the launch meeting of the new commission to be held on 26/27 May 2015 in Malmö. Please send me a short answer if you can attend by Friday, 24 April 2015 at the latest.

The Executive Board has asked us to hold the meeting until end of May to elect a chairperson and steering committee and discuss and adopt a strategy and an action plan for the period 2015 to 2017. I will send you detailed information to all content and organizational questions next week. I am looking very forward to our discussion about the future topics of the commission and your expectations towards our common work. A professional moderator will accompany us in the strategy finding process in Malmö or Copenhagen on 26/27 May 2015. Thank you for letting us know, if you will attend.
