07.06.2021 - 14:00 to 15:30

Join the workshop “**Building innovative and effective policies stimulating behavior changes in modern cities – towards zero pollution**” that will be held online within the EU Green Week on **7 June 2021, 14.00-15.30 CET**. UBC is one of the organizers of this event.

Climate change is a challenge modern city face and sadly we do not see many innovative and effective policy widely implemented across Europe. The workshop will tackle e.g. the questions on what the role of local actors is in fitting into the global standards and how cities can correspond in a more organized and innovative way.
