28.06.2021 - 13:00 to 15:00

28 JUNE 2021 > 13:00-15:00 (CET) > Culture4Climate (C4C) Online Exploration-Workshop

Registration Link: <https://bit.ly/3iOie7S> [1] (open until 27 June 2021)

We are looking for EXPERTS / ADVISORS (cultural content producers, event organisers, space owners, artists, performers) to join an online exploration-workshop facilitated by [Change Pilots](#) [2] in collaboration with [ARS BALTICA](#) [3], [Growing Pathways](#) [4] and UBC Cultural Cities Commission.

The aim of the meeting is to **share expertise, challenges and needs of the cultural sector in order to develop relevant tools facing the climate change.**

CULTURE4CLIMATE (C4C) offers a collaborative forum where such sharing can be made possible, and where experience across disciplines and borders can focus on action, not only on intentions.

The offered C4C workshop is:

- * a chance to get involved in C4C project;
- * give concrete input to shape the project;
- * to become a possible partner for a larger BSR-wide funded future project.

Please find the additional information about the C4C attached.
