The cities of the UBC network

**Invitation to the meeting of the UBC – youthful cities commission in Elva
11–14 October, 2016**

Dear members of the UBC network,

On behalf of the town of Elva it is my pleasure to invite you to the meeting of the UBC youthful cities commission in Elva (Estonia) on 11th – 14th October 2016. The main topic of the meeting is life online.

Estonia is well known for its e-services – e-elections, e-taxes, e-police, e-healthcare, e-banking, and e-school are just some examples. Almost any activity can be performed over the internet. In general, lives in the whole World have moved to online and social networks. It has both good and bad effects in our life.

Being an active member of the UBC youthful cities commission ourselves, we are convinced that this meeting will create space for exchange of knowledge on this topic and foster further cooperation among the UBC cities. Elva is a small town, a lovely summer resort with beautiful nature and stunning wooden architecture, and unique to its forest parks and abundance of pines. During your stay we will make sure that you get to know what nature wellness in Elva means.

Detailed programme of the meeting and practicalities will be disseminated shortly by the organizers.

Mayor
