

***Save-the-Date: Green and Sustainable Cities***

Though in 2020 Covid pandemic brought many challenges for the implementation of international projects and exchanges on site, the City of Rostock is convinced that further steps in our cooperation could be equally successful using modern online communication. So, we invite you to join us and share your experience and know-how in a series of a webinars.

The City of Rostock has recently been launching new development projects with a goal of becoming a greener and smarter city. We believe that learning about challenges and successful sustainable solutions in other cities would significantly contribute to development of green projects in Rostock. Based of conviction the City of Rostock will launch three webinars:

- 1. 24.02.2021 – Lets share biking experience!**
- 2. 24.03.2021 – Free public transport: pro and contra**
- 3. 21.04.2021 – Car-free city centre**

Please, save the date, if these topics are important for your city and you would like to learn more about it. Moreover, if you would like to share your success story, please contact Ms Aleksandra Markianova via email: [Aleksandra.markianova@rostock.de](mailto:Aleksandra.markianova@rostock.de) till 7<sup>th</sup> of December.

More information awaits you in January 2021!
