Activities: 2020

In 2020 UBC Task Force Supporting Youth Employment and Well-Being concentrated on three major themes, which were as follows:

- STEAM (Science, Technology, Engineering, Arts, Math) Path for every child and youngster
- Basic Skills or Upgrading Pathways (youngsters with problems with basic skills, such as math, literacy and IT)
- Attractiveness of Vocational Education and Training

Concentrating on certain themes made cooperation and creation of common goals and projects easier

Activities

STEAM BSR study visit and workshop in Tallinn, 11.-12.2. (18 participants)

- Best practices around the BSR
- Road Map for the STEAM BSR Cooperation (first step)

STEAM workshop as a part of Annual Forum 2.10. (26 participants)

- Best practices and a concrete plan for the future cooperation (collection of tools and practices, joint trainings, study visits, workshops, seminars, new projects, BSR science competition)

Activities

21.10. School to Work seminar (68 participants)

- Themes: STEAM, basic skills, NEETs, Early School Leaving and attractiveness of VET
- Key Note speakers about Basic Skills and STEAM
- 12 workshops

Other Activities

- Collection of good practices
- Further development of the web-site
- Developing the use of social media in dissemination and development work
- Cooperation with other networks, such as School to Work and StartNet
- Follow-up for the funding possibilities and creation of the new projects
