

How do you feel today?

0%
I have a fever.

0%
Thanks for asking but please leave me alone.

From which city are you coming from?

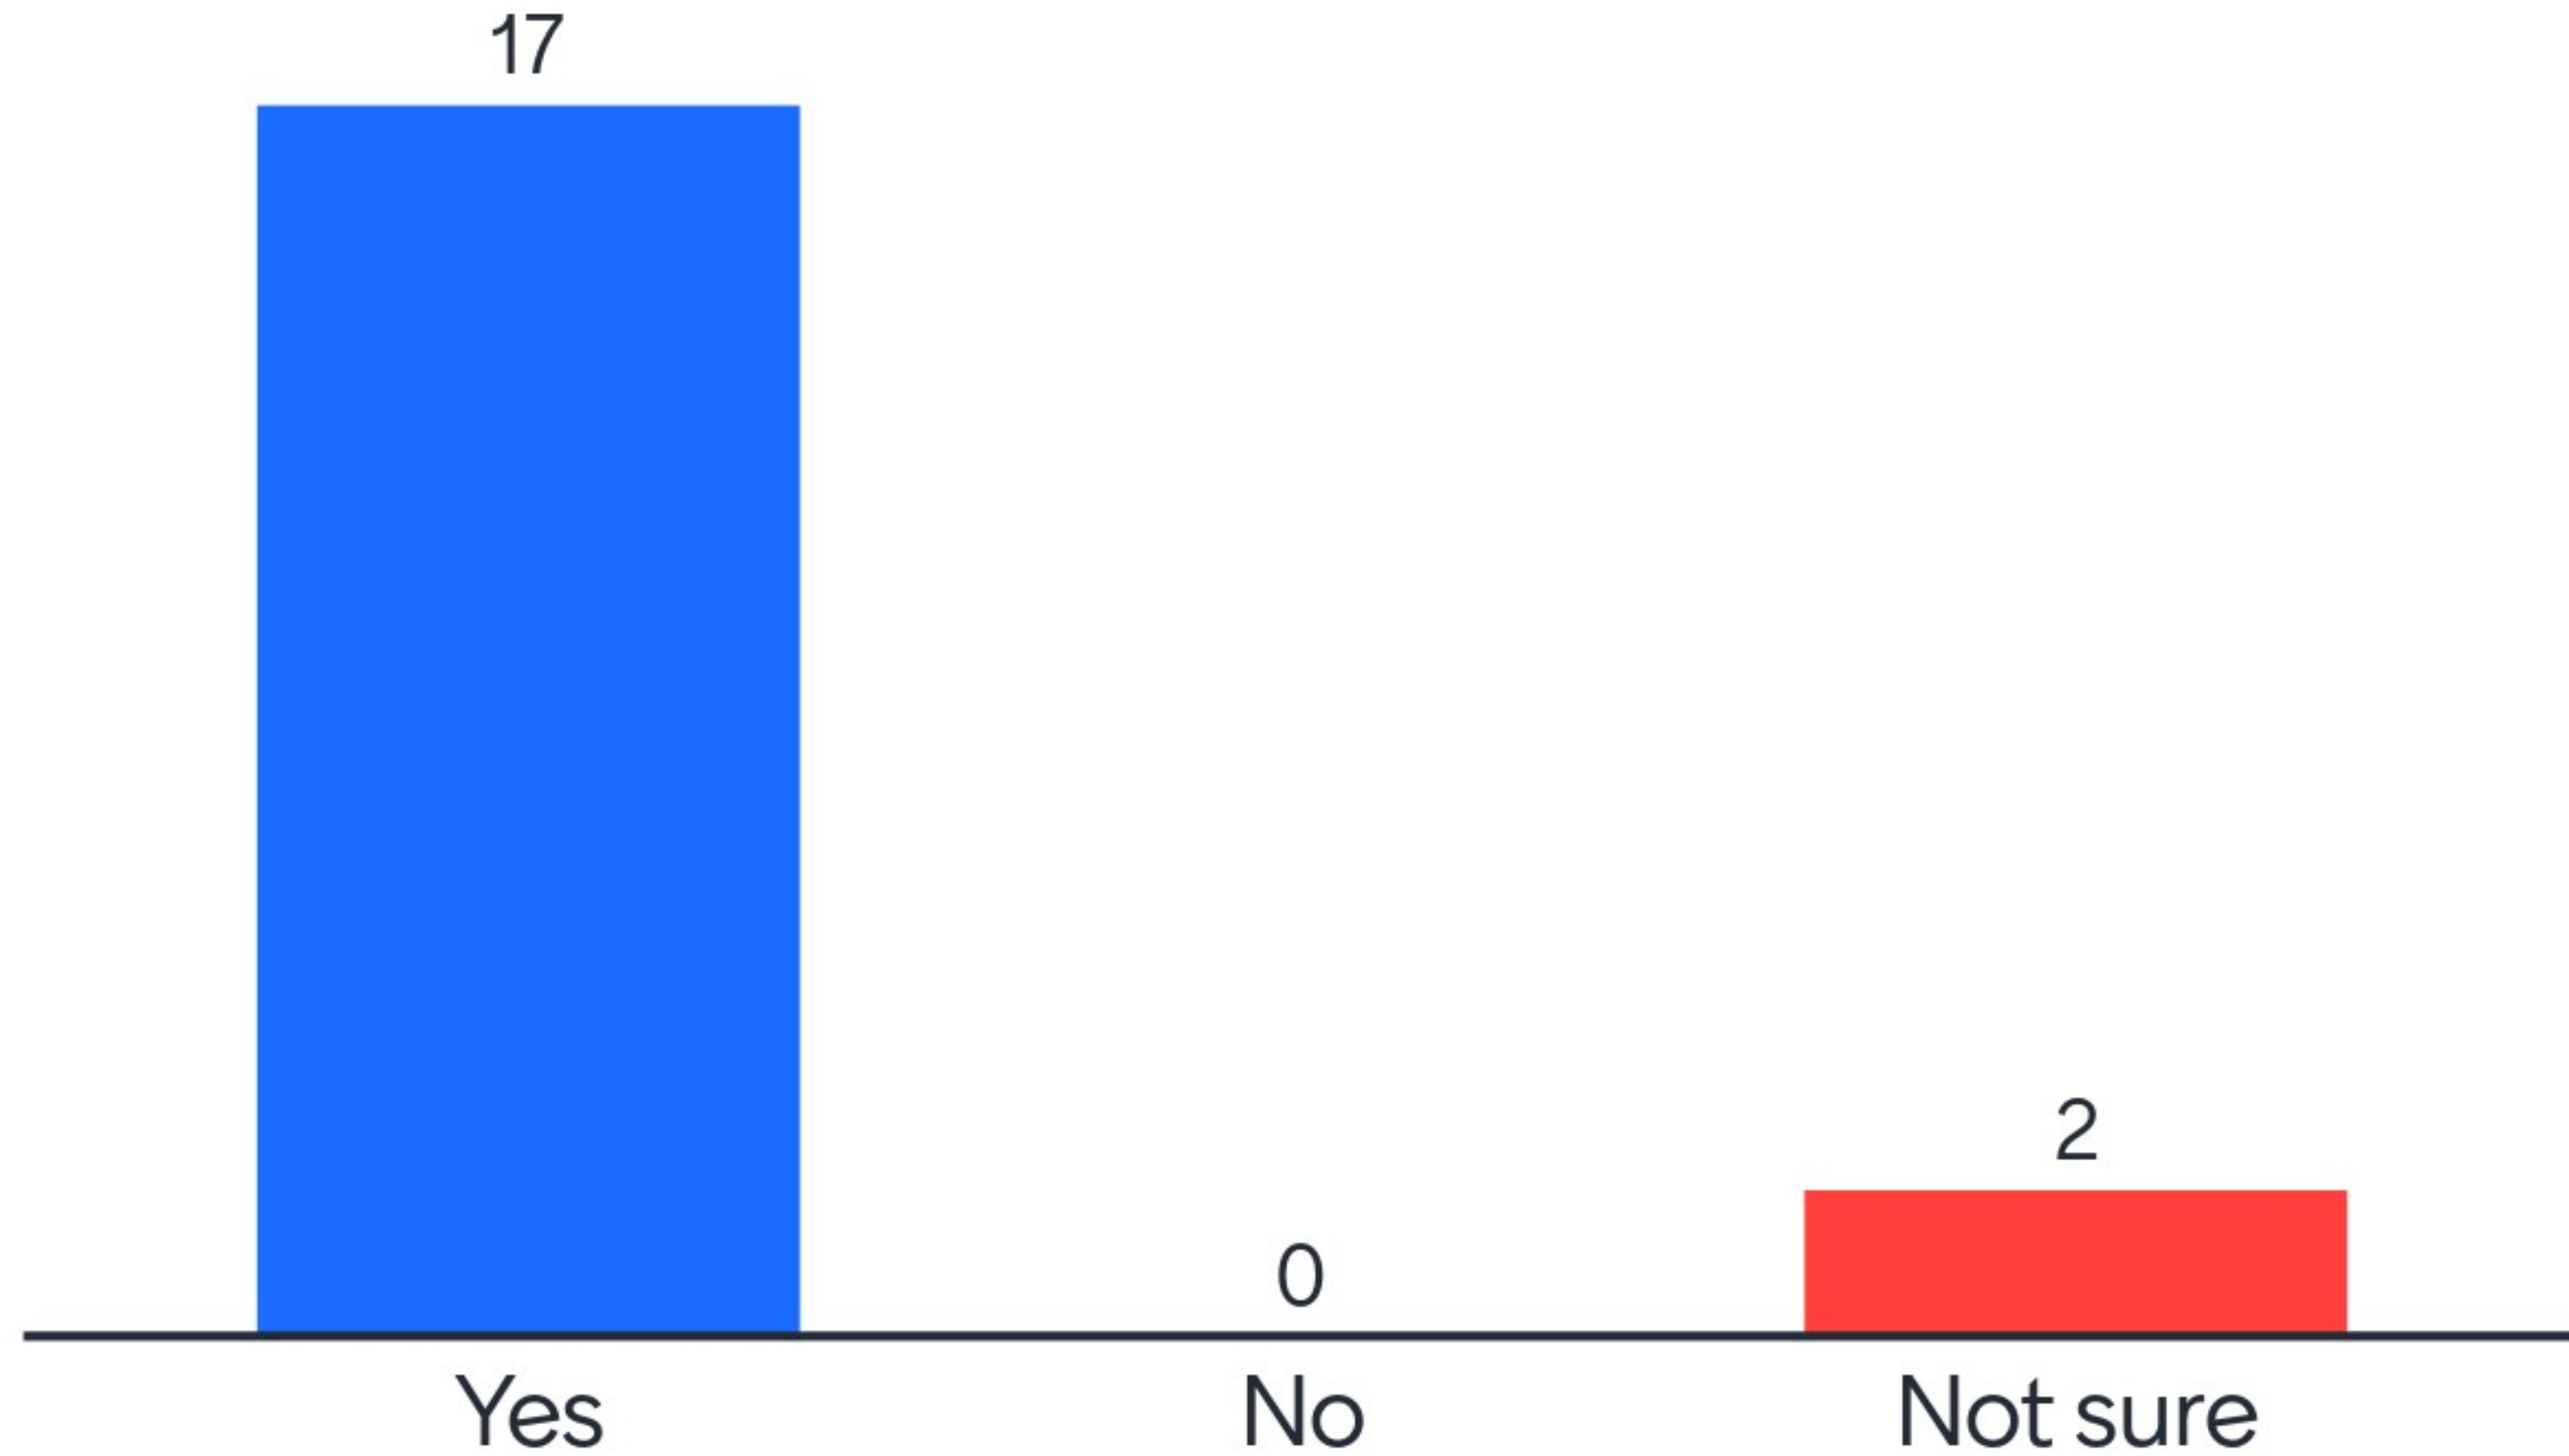

Something new the pandemic has brought to you?

A word cloud of responses to the question 'Something new the pandemic has brought to you?'. The words are arranged in a roughly circular pattern. The most prominent words are 'work work work', 'i had covid-19', 'more fresh air', 'new physical activities', 'lots of virtual meetings', 'personal space', 'masks', 'nothing much', 'great working', 'walks', 'patience', 'vitamins', 'empathy', 'teams', 'zoom', 'home office', 'new working routines', 'nice walks outdoors', 'lack of people', and 'XX'. A yellow smiley face emoji is located near the top right of the word cloud.

home office i had covid-19 😊
work work work more fresh air
new physical activities zoom
more work lots of virtual meetings teams
new working routines personal space
patience nice walks outdoors masks
vitamins lack of people nothing much
walks great working empathy

Do you think UBC should be part of EUSBSR

How UBC can be involved? (Provide some ideas)

representing the local level/member cities

Provide outreach and practices on the city level policy making

New ideas

Through projects

Projects

Strategy Point; projects

Delivering to the cities level

Getting Baltic cities into the cooperation

Provide new ideas, projects, responding to the needs of cities.

How UBC can be involved? (Provide some ideas)

ideas & projects

having permanent seat perhaps?

strategic Guidelines

Part of the recovery budget

How was the meeting?
