## UBC Executive Board meeting in Malmö on 18 October 2018

This is a short report from our presentation.

### Meeting

- The group has met once. It was in Tallinn in June 2018. We planned a meeting October 19th, but no members were able to come.

### Goals for 2018- 2019

- Number of member cities to the working group should increase.
- There should be a clear structure and a frame work for how the group will work going forward.
- The group will meet on four occasions during the period.
- During the period, the group will initiate cooperation with the following committees:
  - UBC Planning Cities Commission
  - UBC Inclusive and Healthy Cities Commission

### The purpose of the group

- General Competence development.
- Create a network - Support for each other's work.
- Opinion formers.
- Possibility to apply for external funds for different initiatives.
- Support the UBC organization in the gender and equality work.
- The group proposes that the Board have a meeting per year focusing on gender equality.
