# Rethinking the Youthful Cities Commission

Dmitrijs Zverevs

Chair of the Youthful Cities Commission

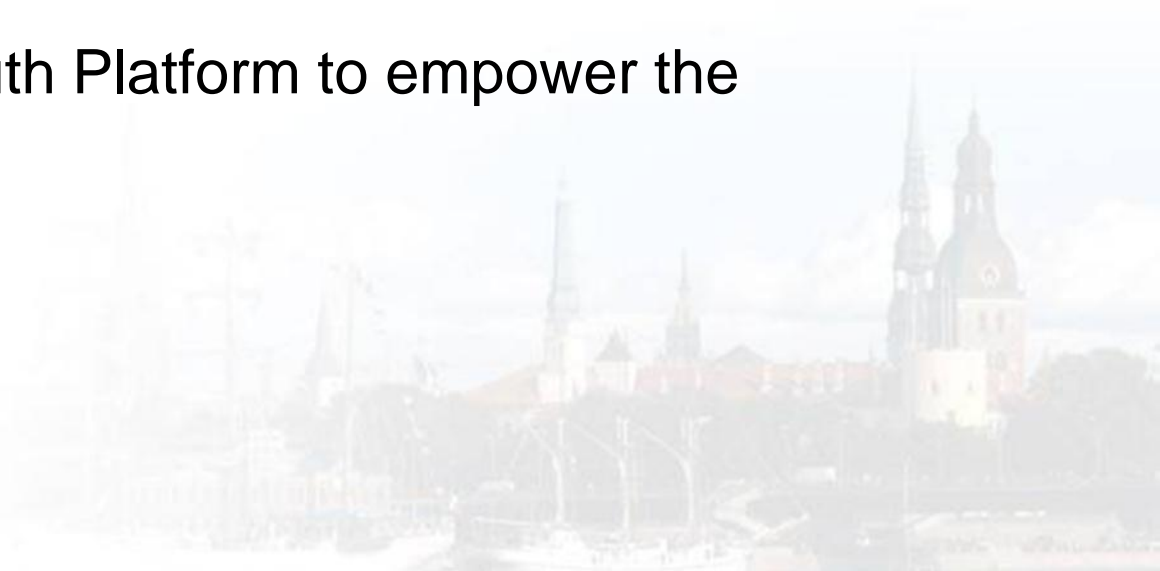

## Accomplished so far...

- Questionnaire about past and future of the Commission (June - September)
- 2 future workshops (October)

## Key ideas...

- setting up a Youth Board within the Commission
- focusing on youth workers as our main stakeholders in the cities
- empowering and supporting project-based cooperation between the cities involved in the Commission
- partnering-up with other commissions on youth-related topics
- using Baltic Sea Youth Platform to empower the member cities

## What's next?

- Commission's online meeting on 3<sup>rd</sup> December (invitation to be sent out shortly)
- Agenda:
  - presentation of the findings of the questionnaire and the results of the future workshops
  - discussions on the changes in Commission's operations
  - drafting the action plan for the Commission
- The meeting will be preceded by a youth event

# Thank you for your attention!
